## SOLDIERS' BALANCES UNCLAIMED.

IN pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared.

By Order of the said Principal Secretary,  
EDWARD LUGARD.

**NOTE.**—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Dated the 27th day of November, 1869.

## REGULATIONS RESPECTING MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

---

40069

17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast*.

# REGULATIONS RESPECTING FOREIGN MEDALS.

---

148

527

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

**FOREIGN OFFICE, *December, 1869.***

## Regulations respecting Foreign Orders.

1. No subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

5. Regulations are in preparation respecting the transmission of returns of gunpowder, and in the meanwhile W. O. Form 1234 will be rendered half-yearly, on 1st April and 1st October, instead of quarterly.

**Cl. 29.—Surveys and Sales of Stores.**

1. In cases where an auctioneer is employed to conduct the sale of stores, the sum paid in by the auctioneer which is the gross amount of the sale, less the commission duly retained by him, is invariably to be credited to the Exchequer.

2. All incidental expenses connected with the sales (the auctioneer's commission excepted), such as taking account of remains, lotting stores for sale, advertisements, posting bills, and all similar expenses, will be borne by army votes, and no deduction whatever on account thereof should in future be made from the amount realized.

**Cl. 30.—Prices of Necessaries.**

1. The accompanying list of prices will regulate the sums to be charged to the troops for all necessaries issued on payment on and after the 1st April next, except at those foreign stations where this Circular shall not have been received on that date, in which cases the prices contained in the Appendix to Clause 20, Army Circulars 1869, will continue in force until the receipt of the present Circular at the station. The date of such receipt will be inserted in the kit account.

2. The price to be charged, under the provisions of Clause 45 of Army Circulars 1867, for cholera belts lost, destroyed or issued on repayment, will be that quoted in the accompanying list.

3. If any articles, other than those detailed in the accompanying lists, be required on payment, a separate requisition will be forwarded for them, and they will not be included in the annual account of free kits and regimental necessaries. Payment for such articles will be made during the quarter in which they are received, or (in the event of their being received during the last month of the quarter) in the succeeding quarter. Care will therefore be taken that no larger quantities of such articles are at any time demanded than the regiment is prepared to pay for in the manner above prescribed.

4. Duck frocks and fatigue trousers (although not articles of necessaries), and serjeants' forage caps, may be accounted for in the annual account of free kit and regimental necessaries.

5. Any articles of clothing which may be sold to the troops under the authority contained in paragraph 59 of the Revised Royal Clothing Warrant, 1865, will, if included in the annexed list, be charged for at the rates quoted in such list, and not at prices based on the compensation value as prescribed in the said warrant.

6. Officers commanding will be careful to demand soap, both marine and yellow, by the *piece*, instead of by the pound. Each 3 lb. bar of soap will, from 1st April, 1870, be cut into ten pieces, instead of twelve as heretofore, and War Office Circular Memorandum, attached to W. O. Circular 853 (52—10 Hussars—201), is hereby cancelled.

7. Necessaries of obsolete pattern, or articles omitted from the accompanying list, will, if on charge, be sold at the rates laid down in the most recent circular list of prices in which such articles, or patterns, may have been included.

**Cl. 31.—Cartridges for Ships in the Medway.**

Regulations to be observed by the Control Department at Chatham, with regard to the supply of filled cartridges to Her Majesty's ships fitting out in the Medway, are issued with this Army Circular to officers and others immediately concerned.

## ROYAL ENGINEER DEPARTMENT.

### Cl. 32.—Correspondence on Engineer Services.

1. All correspondence on engineer services which is submitted for the consideration or decision of the Secretary of State for War, except matters of a strictly technical and detailed character, will be forwarded by the Commanding Royal Engineer for the approval of the General or other officer commanding.

2. In cases where a decision on such services is given by the General or other officer commanding, the Commanding Royal Engineer will, in the event of such decision not involving an order, communicate it direct to the Controller or other officers whom it may concern; but in the event of an order to the troops being involved, he will draft an order for the approval of the officer commanding and transmit it, when approved, to the Adjutant General's Department, for promulgation.

3. Clause 153, 1869, is hereby cancelled.

## ARMY MEDICAL DEPARTMENT.

### Cl. 33.—Nursing Service at Netley.

Regulations for the nursing service at the Royal Victoria Hospital at Netley, are issued with the present Army Circular for the information of officers and all concerned.

(Signed)      EDWARD LUGARD.

**G.O. 6.—Retirements.**

(Specially issued 1st January, 1870.)

At the instance of the Secretary of State for War it is hereby notified, that sales under Circular Memorandum, dated Horse Guards, 15th February, 1861, Gen. No. 106, are suspended for the present.

**G.O. 7.—Schools.**

(Specially issued 14th January, 1870.)

I. Examinations for certificates of education in accordance with General Order No. 854 of the 18th October, 1864, and No. 885, dated 23rd April, 1866, are to be held between the 1st February and 31st March, and between the 1st August and 30th September in each year; and at no other times except in the case of the Dépôt Brigade Royal Artillery,—of the Dépôt Royal Horse Artillery,—and of Dépôt battalions.

II. In dépôts, besides the examinations to be held within the periods above specified, examinations may be held in the intervening periods, but only of those men whose turn for foreign service will probably arrive before the next ensuing 1st February, or 1st August, as the case may be. A nominal list of such men, together with a memorandum of the probable date of their embarkation, certified by the officer commanding the brigade, dépôt or battalion, will accompany the special application for examination papers.

III. In each brigade, regiment or dépôt, two examinations for certificates will be permitted within each regular period, but with an interval of at least six weeks between them.

IV. On the 1st April and 1st October of each year, a return certified by the commanding officer will be sent to the Adjutant General from each corps in Great Britain and Ireland on the form (Appendix A).

V. The annual return of certificates prescribed by General Order of 18th October, 1864, is to be discontinued.

**G.O. 8.—Recruiting.**

(Specially issued 19th January, 1870.)

I. The minimum height for all infantry recruits, whether enlisted at head quarters or otherwise, is raised from 5 feet 6 inches to 5 feet 8 inches, until further orders.

The head quarter recruiting, at the dépôts of regiments serving in India, may be resumed at this standard, in accordance with paragraph 1338 of "The Queen's Regulations and Orders for the Army."

II. All recruiting for the cavalry is to be, for the present, suspended.

## GEN. ORDERS—continued.

**G.O. 9.—Courts Martial.**

I. With reference to Appendix No. 5 of "The Queen's Regulations and Orders for the Army," page 347, attention is called to the mode in which charges for making away with, or losing through neglect, articles of clothing, &c., should be framed.

II. In cases where it is considered necessary to charge the prisoner with the above crime, care must be taken that a separate charge should contain each averment; for instance:—

1st charge—"For having at on the made away with the following articles," &c.

2nd charge—"For having at on the lost by neglect the following articles," &c.

3rd charge—"For having at on the sold the following articles," &c.

III. It would be competent for the Court to find the prisoner "guilty" of one of the alternative charges, and to acquit him of the remainder; but if the several averments are embodied in one charge, the Court cannot legally convict on that charge.

IV. These instructions are applicable to all cases where an alternative charge is deemed necessary.

**G.O. 10.—Embarkations—Officers in Uniform (*Quarter Master General*).**

All officers ordered to embark on duty with troops are to report themselves in uniform to the officer superintending the embarkation, and afterwards to the officer commanding the troops on board the ship.

Every officer proceeding in her Majesty's Indian troop ships is to report himself in uniform, whether detailed for duty on board or not.

**G.O. 11.—Embarkations—Lucifer Matches and Explosive Articles prohibited (*Quarter Master General*).**

In calling attention to G.O. 2 of 1868, which directs the exclusion from military baggage of articles of explosive or combustible nature, it is hereby notified that lucifer matches, as also fuses for lighting pipes and cigars, are strictly prohibited on board ship.

Officers about to embark must bear this in mind, and soldiers, as well as soldiers' wives, should be duly warned before they go on board of the responsibility they will incur if such articles are found upon them during the voyage.

**G.O. 12.—Serjeant Cooks.**

Paragraph 406 of the Queen's Regulations and Orders for the Army is to be amended as follows:—

406. At home a serjeant cook may be deprived of his appointment for misconduct or inefficiency by order of the Commander in Chief. Abroad he may be suspended by order of the general or other officer commanding, who will report the full particulars to the Adjutant General. In cases of inefficiency the certificate of competency must be surrendered and forwarded with the report.

**G.O. 13.—Nurses—Royal Hospital, Chelsea.**

It appearing that difficulty is often experienced in obtaining suitable candidates for the appointments of nurses to the Royal Hospital, Chelsea, which difficulty probably arises from the fact that the advantages of these positions are not generally known, the following particulars are promulgated for the information of the Army:—

I. In terms of the Warrant, these nurses are to be, as far as possible, widows of deceased soldiers.

II. The pay and allowances are as follows:—

Pay ...	...	1st class nurse 2s. 3d. a day.
		2nd " " 1s. 9d. "
		3rd " " 1s. 6d. "

Allowances .	{	A furnished room and an allowance of coals and light, a grey serge gown and petticoat annually, and half the ration of an in-pensioner.

III. The candidates must be of good moral character, and medically fit for duty.

IV. The limits of age are from 23 to 40.

## GEN. ORDERS—continued.

V. Candidates will be required to undergo, in the first instance, a preliminary examination at the station where they may be. Should this prove satisfactory, they will be paid their travelling expenses to Chelsea and back, in order that they may undergo the regular examination required by the Superannuation Act, preparatory to their appointment as nurses.

VI. The subjects of examination are—Reading; writing; arithmetic (simple addition and subtraction).

VII. On the wife of a non-commissioned officer or soldier who is eligible for, and desirous of, one of these appointments, becoming a widow, the commanding officer will be so good as to forward a description return of such woman to the Secretary of the Royal Hospital, Chelsea, in order that her name may be registered on the list of candidates.

**G.O. 14.—Schools.**

The Council of Military Education having stated that, notwithstanding the objections pointed out at page 21 of their fifth report on army schools, the use of slates is still occasionally permitted at the periodical examinations for certificates of education, it is to be distinctly understood that the practice complained of is strictly prohibited, and that, in future examinations, all work is to be done on the papers issued for the purpose, a broad margin being reserved for rough work, and the candidates' papers transmitted in that state to the inspector.

**G.O. 15.—Cooking (Quarter Master General).**

1. With the view of bringing the daily cooking of corps more directly to the notice of commanding officers, it has been decided by the Secretary of State for War, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, that, from the 1st April, 1870, the present cooking report on W.O. Form 434 shall be discontinued, and that a regimental daily register of cooking, in book form, shall be substituted for it.

2. The register of cooking has been printed as War Office Book 152. It will be supplied, by the Secretary of State for War, at the public expense, and should be demanded annually by regiments.

3. The register of cooking will be produced at all half-yearly inspections, and, under paragraph 60 of the half-yearly confidential report, general and other officers commanding will make such remarks as may appear to be necessary in respect to the disposal of the refuse fund, and the system of cooking generally.

4. G.O. 6 of 1867 is to be cancelled on 1st April, 1870.

By command,

W. PAULET, *Adj. Gen.*
